# Dad's Hub

Are you a Dad looking for somewhere to take your children at the weekend?

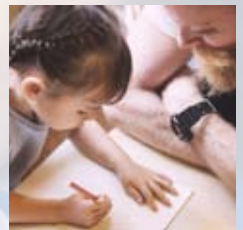

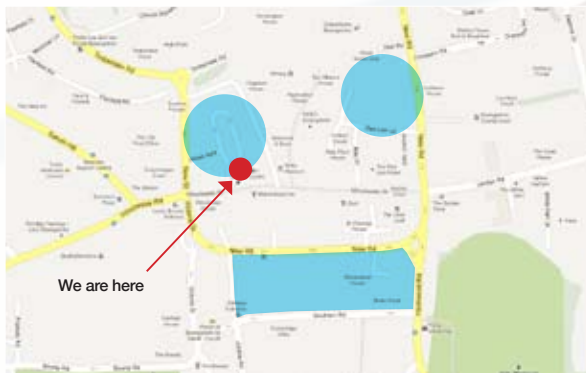

Would you like to meet other Dads in a similar situation to you?

It can be so hard to come up with new ideas of what to do or where to go.

Why not come along to Dad's Hub - a parent and child group designed especially for you with arts and crafts, toys to play with and, best of all, no tidying up!

Pop in to our Saturday afternoon group between 2 – 4pm and enjoy a coffee and a chat whilst your kids have a great time playing and meeting other children in our purpose designed building.

**2-4pm the second Saturday of every month**
